

Ferber PTO Room Parent

Purpose:

Streamline communication between PTO board and other parents/families in your designated class (typically via email) in order to maximize awareness of volunteer and fundraising opportunities. Together, we will create the best learning environment for students and partnership within our community.

Responsibilities:

- Attend monthly PTO meetings (approx 1 hour) and act as a liaison between the PTO board/teachers and parents in your respective class.
- Communicate/'Cheerlead' various needs for fundraising and volunteer opportunities throughout the year.
- Organize and delegate grade/room-specific functions throughout the year (Example: 3rd Grade Feast). These functions are teacher-directed, not all rooms will require this time.
- Help facilitate (along with Committee) Teacher Appreciation Week for your classroom teacher (May 2018).
